

INTRODUCTION

1.1 PROJECT DETAILS

Welcome to “NKFurniture.com” your online destination for stylish and affordable furniture. We offer a wide variety of furniture including sofas, chairs, tables, beds, wardrobe and more products. All of our furniture products is made with high-quality materials and construction and we offer a satisfaction guarantee on all of our products.

The idea for a “NKFurniture.com” strike in our mind from website like HashmukhFurniture, pepperfry, AshleyFurniture, Urban ladder and this project was decided and designed after viewing HashmukhFurniture.com .

An online furniture shop that allows users to check for various furniture available at the online store and purchase online.

1.2 PURPOSE

The purpose of designing this website is to provide facility to purchase the furniture online so, user can easily do purchase from our website without wasting their time. The main purpose of this website is to make whole process computerizes for both user and administrator. Through this website administrator will easily perform all tasks like updating, editing, deleting.

1.3 SCOPE

- Our site NK Furniture is developed to provide the best facilities according to the user requirement. User can easily purchase furniture at any time or at any place or from anywhere.
- The project consists of list of furniture products displayed in various models and designs. The user may browse through these products as per categories. If the user likes a product he may add it to his add to cart.
- If a person wish that he/she want to get information about different types of furniture has different prices and quality.
- Once user wishes to checkout he must register on the site first. He can then login using same email id and password next time. Now he may pay through only cash on delivery.

1.4 OBJECTIVES

- The main objective of our site is to allow user for purchase and giving all information about our furniture items like price of furniture and gallery and other facilities.
- Providing customer satisfaction is the main objective of our site.
- Less time consuming and making the system totally online.
