

INTRODUCTION

1.1 PROJECT PROFILE

- Welcome to “GAURAVFurniture.com” your online destination for stylish and affordable furniture. We offer a wide variety of furniture including sofas, chairs, tables, beds, wardrobe and more products. All of our furniture products is made with high-quality materials and construction and we offer a satisfaction guarantee on all of our products.
- The idea for a “GAURAVFurniture.com” strike in our mind from website like HashmukhFurniture, pepperfry, AshleyFurniture, Urban ladder and this project was decided and designed after viewing HashmukhFurniture.com .
- An online furniture shop that allows users to check for various furniture available at the online store and purchase online.

1.2 ADVANTAGES AND LIMITATIONS OF THE PROPOSED SYSTEM

1.2.1 ADVANTAGES:

- Our site GAURAV FURNITURE is developed to provide the best facilities according to the user requirement. User can easily purchase furniture at any time or at any place or from anywhere.
- The project consists of list of furniture products displayed in various models and designs. The user may browse through these products as per categories. If the user likes a product he may add it to his add to cart.
- If a person wish that he/she want to get information about different types of furniture has different prices and quality.
- Once user wishes to checkout he must register on the site first. He can then login using same email id and password next time. Now he may pay through only cash on delivery.

1.2.2 LIMITATIONS:

- Require more accuracy.
- Provide less functionality.
- In this no OTP system is available.
- In this no notification, message and E-mail facility available.
- User can't do online payment.
- User can't tracking the order.
- User can't return the order.
